“A Step Towards Success”

"Success is a spontaneous journey not a destination."

"Success is the progressive realization of a worthy goal."

"Success is no mystery. But simply it is a result of continuously applying some basic principles."

"The reverse is just as true. Failure is simply a result of making the few mistakes repeatedly."

"Give an start, Continue the running, Have a battle with the adverse boldly, It will make the way towards your goal, So march ahead; the goal is waiting to welcome you, And celebrate as a victorious achiever".
